

# FRIENDS OF KENMONT PTA NEWSLETTER

## MONTHLY RECAP

Welcome back from half term we have so much to update you all on. Firstly we hope you enjoyed the Halloween Disco as much as we enjoyed putting it together for you. We want to thank you all for your contributions, together we have raised **£1,340** so thank you! It was lovely to see you so many volunteers and meet the parents and we hope that we can build on this lovely community spirit going forwards.

Together with the Summer Fair, Cake Sales and Halloween Disco we have managed to raise a total of **£3,327.74** which has exceeded our expectations for this first half of the term so thank you all this money will go a long way for all of our school improvement projects.

### ANNEXE PROJECT UPDATE

Since our last newsletter we have made tremendous progress with the Annexe! Thank you to all the parents and teachers who volunteered on our clear out weekend, in one day we managed to clear out nearly all the rubbish from the Annexe for free!!! We still need to clear out a little bit more so keep an eye out for announcements but we are now much closer to reclaiming this wonderful space for the school and local community

## IN THIS ISSUE

- HALLOWEEN DISCO
- FUNDRAISING & PROJECT UPDATES
- CHRISTMAS BAZAAR

## FUNDRAISING PROJECTS UPDATE

### **KPS SECRET GARDEN PROJECT**

Thanks to our Star Parent Racquel Milan in Year 3 we have now embarked on our second project of the term which is to rescue our forgotten garden at the side of the School. For those that aren't aware of the space, we have a large open space which would be perfect for a small eco garden for the children to enjoy.

Racquel spent most of the Half Term break digging up the old ground and turf and cleaned up the old wisteria and trees. We now need a group of parents to help clear this rubbish. Our local Powerday have kindly offered to give us a Skip so we are currently arranging a day and time for this. If you would like to lend a helping hand then please get in touch with either your PTA WhatsApp Class Rep or come speak to the School Office

### **KPS LIBRARY UPGRADE PROJECT**

Our third and final PTA project which is about to kick off shortly is the Library upgrade. Our PTA members Helen, Carolyn, Clare & Rebecca will be working with the School to help improve our Library with new books and resources that will help benefit the Children and get them more engaged with reading.

We will be introducing exciting new initiatives for parents to get involved in such as 1 to 1 reading with children, so please keep a look out for updates regarding this.

## DATES FOR YOUR DIARY

### **BAGS2SCHOOL COLLECTION**
